'Two Guys Walk Into A Bar' is an acoustic/electric duo specializing in Texas-style roots music, classic rock and Americana tunes, with some originals mixed in. The duo is Pete Gargiulo on acoustic guitar and lead vocals, and Mike Terry on electric guitar and back-up vocals. Our approach is to bring a good time and engage the audience. We bring a big sound with good harmonies that can fill a large room or outdoor space.

We play numerous bars and clubs around the DFW metroplex, including: Woodshed BBQ, Second Rodeo Brewery, Parker County Ice House, Fort Brewery, Fred's TX Café, Lola's and many others. We also play private parties and fund-raisers. Our expansive song-list enables us to tailor our song selection to the style of each venue.

Both Mike and Pete have played professionally for years.
